

CREATIVE ARTS

CHARTER SCHOOL

EST · 1994

November 17, 2017

Dear Friend of Creative Arts Charter School,

Creative Arts Charter School is proudly celebrating its 23rd year of offering families our unique program, thanks in part to donations from businesses like yours to our Annual Hearts for the Arts Gala Auction.

Please consider helping Creative Arts keep every student engaged, learning, and thriving by providing your support today.

In our public school, we strive to deliver the most progressive and enriching learning environment for children of San Francisco from all backgrounds. **Creative Arts students work collaboratively on dynamic, real-world projects using a growth mindset, critical thinking, arts integration, and social justice tools.** Our program cultivates social, analytical, and academic habits students need to be passionate lifelong learners, collaborators, innovators, friends, and citizens.

Being a charter enables us to develop this high-quality education and also means we rely heavily on our annual fundraising to meet the needs of our program. **As a neighbor and friend, we are asking you to make a meaningful donation today.**

We hope we can include your generous donation in our auction catalog this year. In past years, such donations have been the backbone of support for our unique program.

Attached is the donation form with complete information about the upcoming event on February 24, 2018. **Your donation will be recognized on our website, in our auction catalog, and in promotional materials appearing at the event.**

Thank you for your support of Creative Arts. Please contact us if you have any further questions at auction@creativeartscharter.org.
