Dear friend,

Creative Arts Charter School is proudly celebrating 30 years of offering families our unique program, thanks in large part to donations from businesses like yours to our annual Hearts for the Arts Benefit.

Please consider helping Creative Arts keep every student engaged, learning, and thriving by providing your support today.

In our public school, we strive to deliver the most progressive and enriching learning environment for children of San Francisco from all backgrounds. Creative Arts students work collaboratively on dynamic, real-world projects using a growth mindset, critical thinking, arts integration, and social justice tools. Our program cultivates social, analytical, and academic habits students need to be passionate lifelong learners, collaborators, innovators, friends, and citizens.

Being a charter enables us to develop this high-quality education and also means we rely heavily on our annual fundraising to meet the needs of our program. As a neighbor and friend, we are asking you to make a meaningful donation today.

We hope we can include your generous donation in our auction catalog this year. In past years, such donations have been the backbone of support for our unique program. Your donation will be recognized on our website, in our auction catalog, and in promotional materials appearing at the event.

Please contact our Benefit Chairs at CACSBenefit@gmail.com if you have any further questions. Thank you for your support of Creative Arts!
